	Total.....		482	1,130

JAPAN.

Cholera on Vessel.

Surg. Irwin, at Yokohama, reports September 11, that a case of cholera was reported on the steamship *Kasuga Maru*, then at Nagasaki. This vessel plies between Yokohama and Shanghai.

MEXICO.

Merida—Yellow Fever.

The Superior Board of Health of Mexico reports that during the week ended September 16, 7 confirmed cases of yellow fever with 2 deaths were recorded in Merida; that the total number of cases from August 1 to September 16, was 20, with 7 deaths, and that active measures are being continued to prevent the spread of the disease.

RUSSIA.

Status of Cholera.

According to the official reports of the Russian foreign office during the period August 20 to 26, there were in Russia 174 cases of cholera with 80 deaths, distributed as shown in table on page 1554.

The foreign office states further that the Khirgiz portion of the Lbistchensky and Ural regions are considered unsafe as regards cholera. The Ural region itself is also threatened with that disease.

SERVIA.

Cholera.

Consul Bergh, at Belgrade, reports, September 8, that since September 3, 8 cases of cholera have been reported at Rachka with 3 deaths, and that orders have been issued forbidding the shipping of foodstuffs and parcels from Rachka to neighboring cities; also that a quarantine has been established to prevent the spread of the disease.
